BRIGHT HOUSE NETWORKS LAUNCHES SECURE DATA BACKUP OPTIONS FOR ROAD RUNNER CUSTOMERS

*—Road Runner Safe Storage Product Added to Expanding Suite of
Family-Friendly Internet Applications and Security Tools—*

(St. Petersburg, FL) -- Bright House Networks today announced the launch of ***Road Runner Safe Storage***, a new Internet product that enables Road Runner broadband customers to safely back up and store their important data online with 500 MB of free storage space. The introduction of this new feature is just the latest addition to Road Runner's family-friendly suite of Internet Applications and Security Tools. Road Runner customers have access to an ever-growing suite of free services that include ***Road Runner Safe Storage, PureSight Parental Controls, Road Runner PhotoShow Deluxe, Road Runner Radio, Road Runner Video Channel, and Road Runner Game Channel.***

The new ***Road Runner Safe Storage*** feature provides our customers with an easy, reliable and efficient method of ensuring that the precious memories and important data stored on their computers can be safely stored," said Kevin Hyman, President of Bright House Networks – Tampa Bay division. "This new family-friendly service is part of Bright House Networks' ongoing commitment to improve and enrich our Road Runner customers' Internet experience."

With ***Road Runner Safe Storage***, subscribers have the ability to remotely back up, store and access up to 500 MB of data, free of charge. Software is loaded through a simple, wizard-based installation, and uploads are easy, assuring users that important documents, photographs, slideshows, music, and other critical information are securely stored. Access to files is available 24/7, from any Internet-connected computer providing fast, easy data recovery and automatic back-up of stored data and offering the reassurance and peace of mind that valuable files are not vulnerable. An additional 1GB of storage can be purchased for \$1.89/month and an additional 5GB is available for \$7.99/month.

In addition, Bright House Networks Road Runner customers have access to a variety of Internet Applications and Security Tools at no additional charge, including:

- ***Road Runner PureSight Parental Controls*** help parents manage their child's exposure to inappropriate web content. Simple to use, parents can choose from nine categories to filter content (Adult, Weapons, Gambling, Chat, Webmail, Hate, Drugs, Sport and Dating) and can manage access based on a time schedule. With real-time protection, parents can be assured of appropriate content filtering for any web content accessed by their younger family members.
- ***Road Runner PhotoShow Deluxe*** offers digital shutterbugs a fun and easy way to manage, edit and share the multitude of photos that they snap. This program enables the user to create customized slideshows, enhance their photos with graphics and set them to music. With simple-to-use templates, PhotoShow Deluxe turns the desktop into a virtual scrapbook, allowing photo-fiends to create their own personalized website to share their memories with friends and family. Users also have the option to purchase prints online as well as gifts, calendars & custom PhotoShow DVDs.

- **Road Runner Radio** broadcasts a wide variety of commercial-free, CD quality with 52 channels covering 12 genres of music including Rock, Pop, Urban, Country, Latin, Dance and Jazz. Road Runner Radio is easy to use, sits right on the desktop and provides a background soundtrack for the lives of every member of the family.
- **Road Runner Video Channel** brings the world of streaming video to the desktop. Customers can choose from a selection of on-demand, streaming video content, all in one place, to view the day's top news stories, highlights of all the big games, and entertainment, movie and TV clips for their leisure time. The Road Runner Video Channel requires no additional software, only a web browser.
- **Road Runner Game Channel** provides a variety of popular family-friendly games including Sudoku, crosswords, and word puzzles at no charge. Additional games are available for a subscription fee.

These new Road Runner features and many more are available to all Tampa Bay division Bright House Networks High Speed Data customers with any Road Runner package; Lite, Standard, or Premium. The entire suite of Road Runner Internet Applications and Security Tools provides something for everyone in the family. Tampa Bay customers can access these new Road Runner features by going to www.tampabay.mybrighthouse.com
